PILSNER PROJECT

A Crisp Lager For You™!

PILSNER PROJECT

A challenge to brew but a pleasure to drink, the Pilsner Project was created to highlight the nuanced flavors of German-grown hops balanced alongside a seasonally inspired malt character. Brewed a handful of times per year, each batch is designed with a featured hop to allow for a full expression of its flavor. A true passion project, we hope you enjoy these Pilsners as much as we enjoy making them.

1 Pint/16 FL.OZ.
