PARKING:

We have a variety of parking to offer our visitors. Across the street from the beer hall there is a 45-car parking lot that is free and open to patrons of the brewery.

There is a 98-car parking garage with direct access to the beer hall underneath our building that is available to the public for a nominal fee. The elevator and stairs will lead directly up to the building lobby. The address to the garage is 50 Mitchell Drive, which is across from the athletic fields at the back of the building.

There is a parking lot adjacent to the tennis courts at the intersection of Nicoll Street and Mitchell Drive, which is only a 2-minute walk to the brewery. Along with that, there is public parking on Nicoll Street and several side streets in the area.
