ABOUT

Family-owned and community-driven since 2018, East Rock Brewing Company is located in New Haven's historic East Rock neighborhood, named after the iconic ridge and park.

At our brewery, time-honored methods and imported ingredients are used to produce pure, crisp and authentic interpretations of German beer. Our offerings include **12 drafts**, **3 specialty drafts** and a variety of **locally sourced cocktails, cider and wine**.

We are proud to carry on the rich brewing history of the area at our brewery and beer hall, bringing people together to celebrate both craft beer and community.
