FAQs:

Can I bring in decorations?

Absolutely! We ask that all decorations be brought back with you after the party. No decorations can be hung from the walls. No glitter or streamers.

Will you supply the paper goods, utensils, and napkins for my food?

We have a limited amount of utensils and plates/bowls in the beer hall, so we ask that all parties bring their own disposable goods in with them.

Can I play my own music?

We are happy to include stations/artists of your choice in our music lineup for the day. Just touch base with our bartender to get the tunes set up!

How can I tour your space before planning my party?

Walk throughs are available during regular beer hall hours. Just give us a call to set up a time!

You don't have a beverage we want. Can we bring it in ourselves?

All beverages must be served by our bartenders, this includes sodas and water. Outside beverages are not permitted in our beer hall.

Do you supply the tickets/wristbands for ticket bar/open bar?

Yes, we have wristbands and tickets already in house for your designated guest to hand out to party-goers!

Can I prepay for my party's tab?

All tabs must be closed at the end of your stay. Pre-purchasing alcoholic beverages is not permitted.

Will someone be assisting me with party planning?

While party planning is not included in reservation fees, we are happy to assist by answering any questions you may have about our establishment and beer!
